DEDICATION

The hand that guided our faltering steps of youth; the face that reflected the light of our little successes; the heart that ached with ours in the hours of disappointment: These memories we recall in dedicating this book.

It is to the fathers and mothers of Chippewa High students that the staff dedicates this 1957 Monocle in appreciation for their understanding and patience during "These Changing Years."

BOARD OF EDUCATION

A great deal of credit should be given to the Board of Education for their faithful service in keeping the school system of Chippewa Falls running smoothly. It is their job to determine the best policy for governing the schools and to hire the most capable teachers possible. They are also responsible for determining the school budget. This past year they have done much to make plans and work toward our new high school. It has probably been their biggest goal of the year and they should receive much credit for getting it started finally.

We wish to give our warmest thanks to the Board of Education for everything they have done for us in this past year.

Mr. Halmstad

Our Superintendent of Schools, Mr. Halmstad, is the one person who has complete charge of all the schools in town. This is certainly a big job and he has been very successful at it. He has worked hard, together with the Board of Education, making plans for the much needed new high school. He has also tried to better the old facilities and help us in every way to the best of his ability. We should all be appreciative for what he has done for us.

MR. MOLLAND

As the school year comes to a close, the students of Chippewa High School have again had the opportunity of being under the excellent direction of Mr. Molland, the principal.

This years senior class has had the privilege of having Mr. Molland as their principal all of their four years of high school. He has been very understanding, cooperative, and thoughtful to the students of Chi Hi.

Mr. Molland has done an excellent job in backing the construction of the new school which will be built within the next few years.

We all appreciate the fine guidance and individual attention he has so thoughtfully given us.

MRS. DIEDERICH

Our Monocle would not be complete without paying respects to Mrs. Diederich, our school secretary. She does an excellent job keeping the functions of the school running smoothly. Her cooperation and interest with the students is greatly appreciated by all. She is deserving of much praise and thanks for a job well done.

In Memoriam

It is with heavy heart that we set aside this page of our Monocle as a final tribute to Miss Nelson.

She gained a multitude of friends through her many years of service to our school. In addition to her classes of English and United States History, Miss Nelson sent forth each year, an excellently coached Forensic Group that won many honors for our school.

Though no longer a part of our school system, Miss Nelson will always be remembered when we look back to "these changing years."

Miss Wurck
I'm glad I had you
for a Spanish teacher
this year. I enjoyed Spanish
very much. I will be back
for Spanish II next year.

SENIOR CLASS

To begin our senior year the Homecoming festivities headed the list. Our Homecoming game was played with the Menomonie Indians, to whom we lost. The queen, Penny Kuehnast and her princesses, Carol Bergeron and Joan Smith reigned over the affair.

Our basketball team worked hard only to come out with a 15 loss — 7 win record. The basketball "A" squad included the following seniors: Larry Dodge, John Hogseth, Dick Olson, Alan Smith, Jim Wright, and captain Bert Webb.

During our athletic season, the school spirit was held up by the four "A" squad cheerleaders — Elaine Rivard, Jean Solie, Joan Smith, and Carol Bergeron. These cheerleaders also planned most of the pep meetings.

The golf, tennis and track teams did well this year also.

The Debate team this year was composed of four seniors, Carol Nozel and Joan Smith affirmative, John Hogseth and Jerry Towle negative. They won first place in the district at Eau Claire and first place in the sectional held at Chi Hi. They were tied for third place at Carleton College and at Gustavis Adolphis College. The debators also went to state to compete with other squads.

Our "A" sextette included the following senior girls: Jean Teeslink, Carol Rasmussen, Jean Kattre, Linda Redard, Joan Clink, and Judy Girard.

Ann Lindsey was chosen for the D. A. R. award.

The class officers were: President, Jim Wright; Vice President, Mary Lou Blom; Secretary, Kathy Nielsen and Treasurer, Alice Holbrook.

"The Seven Sisters" was the play selected for our class play. The play gave parts to 14 seniors.

Our class consisted of 136 members.

The Senior Class earned money by selling school stationary, sponsoring dances, bake sales, senior class play, and a spaghetti supper. Our spaghetti supper was very successful. Rev. Santella prepared the Italian Spaghetti.

Appointed committees chose flowers, colors, and mottos which were voted on by the whole senior class. Chosen for the class flower was the carnation and blue and white for the class colors.

Our senior year ended with a banquet at the Hotel Northern Dining Room on May 18. The Baccalaureate was held May 26, and Graduation on June 4.

Our faithful advisors were Mrs. Lee and Mrs. Johnston. We would like to thank them for their interest and cooperation given to the senior class for their last year.

First meditate,
Then navigate,
In '57
We graduate.

We made our plans
For years ahead
By doing what
The teachers said.

But on the night
That was our last,
We only thought
About the past.

The year of argyles
Worn knee high.
The "Hepburn cut"
Just passing by.

And Elvis Presley
Was the flame
Of every girl
Who heard his name.

Long rope beads
Again arrived;
The "Roarin' 20's"
Were revived.

The sailor blouse
Was back in style,
And ribbons, too
Were seen the while.

Bowling had its
Comeback too.
Skiing attracted
Quite a few.

The mambo beat
Was on the top
Until we learned
About the "bop."

And we knew
That these would be
The milestones of
Each memory.

It all had been
Just loads of fun,
But we have bigger
Things to come.

Thus we watched
Each passing trend,
And knew that things
That start must end.

PROPHECY

Here we find a report as found in the Chippewa Herald Telegram June 20, 1967, of another one of those senior class reunions. This is the reunion of the class of 1957.

Former classmates arrived from Paris, Alaska, Australia, South America, Italy, and many other parts of the world.

Joan Smith is chief arbitrator between Alaska and Australia, with Jerry Towle as her hardworking assistant. From Paris we have a dance instructor, Joyce Rubenzer, with Rosa Taylor designing her costumes. Arlyce Crowley is a missionary nurse at South America. Joan Clink is doing her part as a good will ambassador to Rome. In Panama we have Sharon Horne as a telephone operator. She always did talk a lot. Quite a few of our class have really gotten around.

School must really not have been as bad as we thought because quite a few have gone into the teaching profession. In Texas, Arlene King is teaching Home Ec IV. In the woodworking department we find Bob Peterson. Doing exercises with her gym class we find Betty Wright, while Dorothy Emerson is rattling off some foreign phrases in her class room. Training young secretaries is Lois Jackson. Mary Ann Ray is teaching piano.

To prove that our class was always a busy one and still is, here are a few of their jobs: Shirley Marquie and Carolyn Jones are modeling swimming suits especially proportioned for taller women. Warner Mason designs mahogany furniture fit for kings. Ronnie Raether is the present judge for livestock shows in the U.S. Barb Shane has been busy completing her series of books entitled "Life in a Trailer House." Another writer in our class is Dick Steinmetz, whose latest is "How to Find Oil Quickly." In New York, you really have to be careful these days, because Shelby Shafer and Ann Seaman are policewomen. Phil Thune is an undertaker in Massachusetts. He says it's rather dead out there. Marilyn Walters is manager of Walters. Operating the famous "Sticy" Bubblegum Factory are Alma Zech and Elaine Webber. The internal revenue tax collector is none other than Terry Winters. In the backwoods live Carol Bergeron and Bert Webb. Bert just couldn't move back to the city and besides he liked Carol just to himself. Ruth Bunning and Dick Green are running a ranch, with Joe Hoover and Janice Krueger as co-owners. Operating Henrietta's exotic hairdo shop we find Arvalee Booth and Marjorie Hakes. Carol Erickson and Gary Robinson have a cozy little cafe well known for it's french fries. We learn that Carol Dressel is president of the lonely hearts club and Brynda LeMay is her secretary. David Fouts is really wearing shoes out, as he is a Fuller Brush man. Manager of the leading soap factory is Bill Hanson. Judi Hedrington, with Marie LeDuc as assistant, sells a special handcream to remove tobacco stains from hands. Sandy Kuepfer is a stewardess. Ruth Kuss has decided she will be a lady dentist. You see, she got very interested in this field while she worked for a dentist in her senior year. Marlene Neunfeldt is still traveling with her husband.

In the entertaining world, Linda Sweitzer has become famous in Hollywood. John Abram's famous champagne band features Eloise Myers on the clarinet and Dennis Zutter on the drums. In Las Vegas we find Roberta Baier making cabbage at the Pink Flamingo. In high school she never even used to play cards either. The daring people are Eddie Wikan, Bill Bleske, and Gale Parsons working for Jimmy Lynch.

One of the very outstanding people is Jim Melville, star pitcher of the N. Y. Yankees, Jr. Larry Dodge just discovered a new vaccine that stops the "sniffles" when you have a cold. Sharon Frazer was the champ women hunter of the U. S. and won an all-paid African safari trip. Bonnie Holm married a celebrity, Elvis Presley. They have a few little hound-dogs too. Eugene Welke is still admiring the present Mrs. America, who is Judy Girard. Eugene was a little late though, because as you see by her title she is already taken.

Some of our class still stayed around Chippewa. Jerry Laramy and Clyde Umbaugh are now the owners of the Novelty Cleaners, where they once drove truck. Jim Decker is a very prosperous farmer.

The various prizes went to the couple (John Hogseth and Kathy Nielsen) with triplets. Competing with them are Karen Gutknecht and Stanley Lester with 2 sets of lovely twin daughters. Diane Getzie got the prize for having the first grey hair. Audrey Lien was the first in the class to get a divorce, and by the way, she's working on her second one too.

The only casualty of the day was a broken leg suffered by Marlene Smeader when Dick Olson was practicing his judo.

You can see by this report that the class of 1957 really was successful.

Don Schmidt, Judy Christensen, Sally Lea, Morrie Oleson

While in our Junior year
We'll do our very best.
We'll all work hard and give a prom,
The Seniors and Sophs will be our guests.

JUNIOR CLASS

Junior class officers were elected at the beginning of the school term. President Don Schmidt, Vice President Morrie Oleson, Secretary Sally Lea and Treasurer Judy Christensen piloted their classmates through a successful season.

Student Council representatives were elected at the beginning of the second semester. They were introduced to the student body at an assembly by John Hogseth, Student Council President. Elected from a field of eleven candidates were Mary Hogseth, Ken Weisner, Dave Rice, Carol Mueller, Sally Lea, Tom Hinke and Ronnie Keezer.

Jim Perault, Ken Weisner, Gerry Anderson, Don Schmidt and Gordie Schafer represented the Junior Class on the "A" basketball team. We may look forward to a good football season next year with a nucleus of Junior boys leading the team. Gerry Anderson, and Don Schmidt were on the golf team this year. Mareen Gilbertson, Bruce Walter, Tom Hinke, Connie Brand and Roger Sommerfield were of the indoor athletes, the debators.

Fantasy Land was the theme of the Junior Prom, Guy Woodford's orchestra set the evening's atmosphere with music. The gym was transformed beautifully to match the theme. Juniors worked hard to make their Prom a huge success. Everyone enjoyed a lovely evening.

With the selection of class rings and their arrival just before the Prom, the Prom itself, and other class dances, we Juniors have had an exciting year. We are now looking forward to our Senior year and being the last Senior class graduating from the old school.

"Wise fools" we are called
By the upper classes,
But the foolishness goes
With each year that passes.

SOPHOMORE CLASS

This year the Sophomore class was composed of 216 members. As in past years, the sophomores found themselves taken up with school activities. The class of '59 has many ambitious students as demonstrated by the many activities in which they participated.

The Student Council members for this year were: Joan Elstran, Karen Farnham, Jim Colbert, Wanda Anderson, Larry Pitsch, Ronnie Petrich and Jim Flanagan.

This year eight sophomores were interested in debate. They had many successful debate tournaments and we know they will represent our school as best they can. They looked as though they will be good prospects for the future.

The sophomores sponsored a dance after a basketball game, which was a big success.

Many of the boys participated in sports. They showed what they could do in basketball, football, golf, tennis and track.

The sophomore cheerleaders were Mary Holm, Alice Waller, Barb Heian and Joan Elstran.

The sophomores were also active in many of the other different organizations around school, such as Chorus, Band, G.A.A., F.H.A., and many others. They feel that this year has been a successful one and are looking forward to their two remaining years at Chi Hi. They are also looking forward to being the first class to graduate from the new school.

MONOCLE

This year's Monocle, as is evident, is one of the best that Chi Hi has ever produced. It is new and different, but still retains the better points of the past years' Monocles.

The 1957 Monocle was under the capable leadership of the co-editors, Joan Clink and Carol Rasmussen, with much help from Mr. Hudson, the advisor.

The editors and advisor have worked very hard to improve the yearbook, but they would not have gotten far if it weren't for the writers, typists, artist and photographers. Much planning, time and effort have gone into this book. It is practically impossible to please everyone, so they have tried to use the best ideas and the ones that people seem to like the best. Now it is with pride that the editors and staff present the 1957 Monocle to the student body. They have done their best and they sincerely hope that you will like this year's book.

CHATTER

Editors, page editors, reporters, circulation staff members and typists compose the Chatter Staff. The editor plans the paper in general; page editors plan the details of each page; reporters report the news; and typists prepare it for the printer. Those on circulation exchange editions and distribute them to the student body. A reporter must have written fifteen inches of copy before his name appears on the masthead.

Mary Dinkel served as editor of the 1956-57 Chatter. Jean Kattre was the assistant editor. Page editors were Carol Mueller, Kaaren Nyhus, Ann Lindsey, Jean Kattre, Bruce Walter and Larry Dodge.

Sponsored by the Chatter, the annual Twirp Twirl was held during Twirp Season, on January 25. Carol Mueller was the lucky girl chosen to reign as queen of the dance. Each girl was given a number as she was admitted to the dance. The girl whose number was drawn during the floor show was the queen.

Singing valentines, a holiday institution here at Chi Hi, was again carried on with gusto. Orders were taken up until Valentines Day. Many blushing faces were seen in Chi Hi's immortal halls before the day was ended.

Chatter editors, page editors and their advisor attended a press conference at Wisconsin State College, Eau Claire, early in the fall. They attended different classes where various phases of newspaper work were discussed.

Mrs. Lee was again the faithful advisor of the Chatter.

COMMERCIAL CLUB

The Commercial Club is an organization composed of Junior and Senior students who have taken at least one commercial course. The meetings are held monthly on Tuesday evenings.

The club invites business people to address the members on either their jobs or the operation of office machines. This way the members get acquainted with the machines they will use someday and the personnel they can expect to meet.

Initiation was held for the new members in the fall. The members being initiated had to do different things requiring shorthand, bookkeeping, and typing.

One of the duties of the Commercial Club is to sell milk to the students at Senior High. They take complete charge of selling the tickets and distributing the milk. They do this entirely as a service to the school, since they do not make any profit on it.

Bake sales are held once a month to keep a supply of funds for the activities of the organization.

The Commercial Club did their part for the Homecoming activities by entering a float in the parade. The float was entitled, "Our Boys Will Shine Tonight."

ATHENA

The Athena organization, which is under the guidance of Miss Rose Durch, is the oldest organization at Senior High. It was organized in 1910, which means that it is in its 47th year of helping to bring about better relationships between girls in school and encourging excellence in womanhood.

To be eligible for membership in Athena, a girl must maintain a "B" average or better and be a junior or senior.

In the fall of the year and at the beginning of the second semester new members are initiated into Athena. This is always an amusing event since the new members must recite several lines from Shakespeare before the group.

The Midwinter Formal was one of the main events for the Athena this year. The gym was beautifully decorated in white, blue and silver to carry out their theme of "White Christmas." The theme song was sung by the Girls' Sextette. The Athena was proud to have its president, Kathy Nielsen, chosen to reign as queen.

In February, the annual Mother and Daughter Tea was held. A program was presented to the mothers by members of the Athena and refreshments and a social hour followed.

In the spring the Swingout was presented by the junior girls as a farewell to the senior girls. At that time the scholarships were presented to two deserving senior girls. These educational opportunities were made possible by the Athena girls sponsoring a bake sale every Thursday.

The regular meetings of the Athena are also a lot of fun and very educational. There is usually a speaker or some type of a program. In all, this proved to be a very profitable year for the Athena.

FUTURE HOMEMAKERS OF AMERICA

The F.H.A. accomplishes much during the year and everyone enjoys doing what they are assigned.

A regular meeting is held once a month, on the second Monday of the month. The business meeting is brought to order and all business is discussed. A program of an entertaining and educational type is then given. These programs range from subjects on beauty culture to different types of musical programs. Following the program, the music leader hands out little booklets of songs and everyone sings and has a very nice time. When the singing is done, everyone goes to the kitchen for a lunch. The lunch usually consists of chili or hot dogs and potato chips, ice cream, milk, relish and cake.

One of the projects of the F.H.A. has been to sell barbecues at Senior High on Tuesday noons. These have been prepared and sold each week by the members themselves.

This year the F.H.A. took a trip to the Ice Follies in the Twin Cities. They started out early on a Saturday in April. They arrived in the city in time to shop. Afterwards, they attended the Ice Follies and had a grand time on the way home.

The F.H.A. also held a treasure hunt at the park. Some members went home with a treasurer, but others just went home empty handed. Everyone had a nice supper and a very good time.

FUTURE FARMERS OF AMERICA

The F.F.A. members, under the capable direction of Mr. Lucente, enjoyed a very pleasant and profitable year in 1956-1957.

Besides their individual farming programs the members also participated in a variety of club projects. The Christmas card sale and the annual seed sale were used to finance the trip to Milwaukee to see the Milwaukee Braves. The club also sponsored Rural School Day and the F.F.A. Father-Son Banquet.

NATIONAL FORENSIC LEAGUE

The National Forensic League has as its aim the constant improvement in public speaking. To encourage its members to attain higher standards in the field of public speaking, pins are given to members who receive a given number of points. The settings in these pins change as a member earns more points.

The Chippewa Falls chapter of the N.F.L. was formed in 1925 and is the second oldest in the United States. This year there were 27 members.

Two debate tournaments were sponsored this year by the N.F.L. On February 16, they held the Sectional Debate tournament and on February 23, it was the N.F.L. Tournament.

In order to become a member a person must earn 20 points through speech work. These can be earned in debate, declamations, extemporaneous speaking or reading, oratory, or any other kind of forensics. After 20 points are earned and a person becomes a member he may work toward the different degrees. These are the Degree of Honor, which requires 50 points, the Degree of Excellence, which requires 100 points, and the Degree of Merit, which requires 200 points. It takes a lot of work to receive these points, so the honors are well earned.

The N.F.L. sponsored a dance during the year. This was to raise money for various expenses of the organization.

In the spring the annual Open House was held. At this time seven new members were initiated. This is their big social event for the year and the parents are invited. An excellent program is presented and refreshments are served.

THESPIANS

Thespian Troupe Number 144 has enjoyed its usual successful year in drama and entertainment.

In the fall the play "Once in a Palace" was presented. Besides being shown for the public it was presented to several of the different schools around Chippewa Falls.

The Theme of their annual Jamboree this year was " 'Round the World." The scenes were all representing different countries and showed something characteristic of that country. Typical of the scenes were the Hawaiian Hula, Spanish Bullfight, French Can Can, Irish Jig, Italian Opera and American Rock and Roll.

During the year the Thespians were responsible for several of the programs for the school. Among these were the Christmas Program and the Brotherhood Program, which was presented in the spring.

Also in the spring they held their annual Thespian Open House at which time new members were initiated. Since one must work all year before they become a member, Open House and Initiation proves to be a fitting and proper climax for the year's activities.

MIXED CHORUS

"Beautiful and inspiring" were the words of many who heard the Mixed Chorus this year. Although it was of smaller size than in some previous years, it made up for size by unusually outstanding quality. The Chorus was composed of 60 members and was under the direction of Miss Harriet R. Averill. Carol Rasmussen was the accompanist.

The first appearance of the Mixed Chorus this year was on Nov. 14, when a concert was presented for the students. In the evening they sang for Open House. The Girls' Glee Club also sang at this time.

Shortly before Christmas vacation the Christmas Concert was presented, along with the Band. As has become tradition, the Chorus opened with "Beautiful Savior" for their very impressive candlelight processional. Featured were several selections from the Messiah, with the "Hallelujah Chorus" as the finale.

February 9, the Chorus traveled to Eau Claire State College for a vocal clinic. For this they sang several of their class A festival numbers. They received much constructive criticism and help on improving their pieces.

The next event of the Chorus was a trip to Mondovi, along with the Band. Here they were entertained by the students of Mondovi and in the evening took part in a joint concert with the two bands.

In March, twenty-two of the Chorus members took part in the Solo-Ensemble Festival in Eau Claire. They brought back quite a number of good ratings.

The eighth annual Sacred Concert was the next big event for the Chorus. This was held on Sunday, April 7. For this, music was presented from all of the different periods, starting with the sixteenth century and working up to contemporary. Both the Girls' and Boys' Glee Clubs also sang for this concert.

The Chorus again entered class A at the music festival in Eau Claire, which was held on May 4. As usual, they did very well.

On May 13 the Chorus again joined with the Band in presenting their Spring Concert. For this concert, music of many different types was presented. Miss Rachel Erdman, from Fairchild, who was doing her practice teaching here, conducted the Chorus for a number. It was also at this time that the Arion Awards were presented.

The Mixed Chorus closed their season by singing for Baccalaureate. After singing several other pieces they closed with the traditional "Speedwell."

The Girls' and Boys' Glee Clubs are composed of all of the Mixed Chorus members plus some who are not in the Chorus. While the Mixed Chorus is a select group, the Glee Clubs are open to almost anyone who is interested in singing. The Glee Clubs sing for the Sacred Concert and a couple of other occasions during the year.

SEXTETTE

When entertainment is wanted for some occasion it is often the Sextette that provides it. Throughout the year, they sang for almost every organization in town. They also sang for special school events, such as the Midwinter Formal and the Jamboree. In March they entered the Eau Claire Solo-Ensemble Festival in class A and received a starred first. Their last appearance was singing for Commencement.

The girls are selected from members of the Mixed Chorus for their ability and interest in music. They are directed by Miss Harriet Averill. It is hard work to be in this group, becauce there are not only regular weekly rehearsals but many extra ones as well. They all enjoyed it very much though, since with all of their hard work came a lot of fun.

The members of the Sextette this year were all seniors. This was not a new experience for them, because most of them have been singing together in a group this size since they were sophomores. The girls were dressed in green jumpers, which they made themselves, white blouses and black shoes and ties.

Everyone who heard this group agreed that they made a most striking appearance and did an excellent job. This certainly proved to be a most outstanding and rewarding year for the Sextette.

CARDINAL BAND

The Cardinal Band, under the direction of Mr. Howard Elliott, has just added another successful year to their record. Their activities began early in the school year.

In the fall the band maneuvered at all the home football games and also provided the music before the games. It took the lead in the Homecoming parade and did much to add to the Homecoming activities at the game.

In December the band presented their annual Christmas Concert, along with the Chorus. They also traveled to Eau Claire to participate in a band workshop with the bands of the area.

In February the band presented their Midwinter Concert. This concert was played with an International Flavor, as each selection came from a different part of the world.

In March several members of the band took part in the solo-ensemble contest at Eau Claire. They also traveled to Mondovi to rehearse and to present a concert with the Mondovi Band.

Every year the band has a practice teacher. This year the band was privileged to have Miss Rachael Erdman, from Fairchild, Wisconsin. Miss Erdman is a senior at Eau Claire State College and is preparing for a music major.

In May the band had many activities. The first on the list was the District Festival at Eau Claire. It was held on Saturday, May 4, and the band was again entered in class A. In May the annual Spring Concert was presented, again with the Chorus. The other activities that took place in May were: The band and chorus picnic, Memorial Day Parade, concert at Irvine Park, and providing the music at the commencement exercises for the Class of 1957.

CAROLERS

The Carolers are a group of girls who help to re-live the Christmas story in music and bring the Christmas spirit to others. They make many appearances during the Christmas season at different organizations, church groups, the county home, the library, Watermans and many other places.

The Carolers are directed by Miss Harriet Averill and are selected by her for their interest and ability in music. Being in this group is no easy task, for as well as frequent appearances there are many 7:30 A M. and after school rehearsals.

The girls are costumed in bright red robes and caps which help to represent the gaity of the season. They make a welcome and enjoyable sight to many at Christmas time.

PEP BAND

The Pep Band members are picked from the regular Senior High Cardinal Band by Mr. Elliott. Those students who play in the Pep Band are given a great honor as each of the members are chosen on dependability, enthusiasm, and reliability. The Pep Band is there to keep the school spirit up by playing school songs and others for entertainment. The Pep Band plays at all pep meetings, basketball and football, and they play at all Chippewa Cards home basketball games.

STUDENT COUNCIL

The Student Council is the governing body at Senior High that represents the students. The goal of the Student Council is to represent the student body at all times and to solve their problems. Seven members from each class are elected to serve on the council for a term of three semesters. Sophomores are elected in the beginning of the school year. Juniors are elected at the beginning of the second semester. Those wishing to be members of the Student Council must turn into the office a petition with forty signatures of students from their class. The candidates then campaign and an election is held.

The Student Council members this year participated in the "Teens Against Polio" drive which was held in the business district of Chippewa Falls. They helped to organize the student supervised study halls, which proved very successful. Representatives were sent to the City Council to find the possibilities of having a youth center. The Council developed the idea of selling pennants with "Cards" and Chippewa Falls, Wisconsin written on them.

The Student Council has been very successful this past year.

DEBATE

This year the Chi Hi debate squad had a very eventful, tournament packed season. The season began, as usual, with a Discussion Clinic at Eau Claire. It was held October 20. Twelve debate students participated.

The month of November contained several interesting events for the debaters. On November 10, the students traveled to Duluth Denfield, at Duluth, Minnesota. Later in the month six debaters attended a Student Congress at Rhinelander, Wisconsin. This was a new experience but was also very enjoyable. November 17, a practice tourney for inexperienced debaters was held at Eau Claire.

December found the debaters going to two tourneys. The first was held December 15, at Merrill, Wis., where our B squad emerged victorious to bring home a trophy. The second tourney in December began on the 20th, at Carleton College, Northfield, Minnesota. It was attended by the A squad only, as it was a two day tournament.

Early in the month of January two squads went to Eau Claire. On January 25-26, the A squad attended another two day tourney at Gustavus Adolphus College in Minnesota.

February was the busiest month of the year, for the Chi Hi debaters, as they participated in a tournament each week end. February 2, the A squad attended a District tourney at Eau Claire. The squad achieved a first place, which gave them the opportunity to enter a sectional tourney later in the month. February also contained a tournament for freshmen. The tourney was held February 7 at Merrill. Two teams participated. February 16, the Sectional tourney was held here in Chippewa. The A squad once again received a first place, which now gave them the opportunity to go to the State Tournament. On the 23rd of February another tourney was held at Chi Hi. It was the annual N.F.L. debate tournament.

The biggest event of the season was held during March. The State Debate Tournament at Madison was held. This was a two day tournament, which the A squad of Joan Smith, Carol Nozel, Jerry Towle and John Hogseth, had qualified.

The last event attended by the debaters was the second Student Congress held this year. The Congress was held in Merrill and eleven debate students participated.

The debate coach this year was Mrs. Mary Lou Patterson. She, along with the debaters, left Chi Hi another impressive record of which to be proud.

OFFICE GIRLS

One group of girls in high school who deserve more credit than they receive, are the office girls. When school first opened, there was often a look of bewilderment on many faces as various girls went from room to room with messages and mail. It was soon disclosed that these girls were office girls who do many important tasks. They answer the telephone, help with the records and files, operate the ditto machine and deal with the people coming into the office.

The office girls, who are mostly members of the secretarial training class, work for one period a day for one semester. In this period they learn a great deal about general office procedure, which will be invaluable to them in their future jobs. And of course, everyone benefits from the helpful service these girls perform under the guidance of Miss Ostrem and Mrs. Diedrich.

Standing — B. Pierce, E. Anderson, R. Baier, L. Hardy.

LIBRARIANS

The student librarians perform valuable services to the library. They check roll each period, check books out and in, and help the students find the material needed. As mail comes in throughout the day, it is checked, placed where it belongs, or sent to the various teachers. The 7th hour librarian each day keeps a circulation record book which shows the number of books taken out under each classification.

As new books arrive these librarians open them properly, stamp them, put on covers, type card pockets and due slips, and get them ready for cataloging.

PHOTO CLUB

The Photo Club of this year has engaged in many activities. By learning to develop and enlarge their own pictures, the members have greatly improved their photographic skill. In addition to this, they took a field trip and sponsored a photographic exhibit.

Owning a camera or having access to one is the only requirement to join Photo Club, which has a membership of fifteen students. Meetings are held twice a month and all members turn in six pictures a month for judging.

SPEECH CLUB

This year the Speech Classes at Chi Hi are trying something new and different. One semester one group of students takes speech and another group takes Radio and TV. The next semester the groups are reversed. The Speech Club consists of the members of the two groups.

The two main outside projects that the Club took up this year were a float for the Homecoming Parade and a Paul Bunyan dance, which was held November 2 in the Junior High Gym.

The activities of the Speech class consisted mainly of giving speeches on various subjects. These are to prepare the student for any kind of a speaking situation. Also included is parliamentary procedure. When the students finish their course, they ought to be prepared to meet almost any situation pertaining to speaking.

Meanwhile the Radio-TV students haven't been idle. There has been a radio and a TV program to be prepared each and every week. The programs are competely written and prepared by the students themselves. Also, the article in the Herald-Telegram that gives the news at Chi Hi is written by the students of the Radio-TV class. Since in this way there are three deadlines to be met every week, the members of the class certainly didn't have any idle time.

Without a doubt, the Speech Club this year, under the direction of Mr. White, was as outstanding in transmitting the news of Chi Hi as has ever been done.

HOMECOMING

Homecoming activities for 1956 began Thursday evening, September 27, with the traditional snake dance. At 6:00 a large group of Cardinal fans, lead by the Cheerleaders, left the Senior High and "squirmed" their way to the Marshall Playgrounds where an enormous bonfire was blazing. The kids then formed a huge semi-circle. The school spirit was kept high by the Pep Band, which played the school songs, and the Cheerleaders, who led the kids in a number of yells. Short victory talks were given by Coach Boettcher, Assistant Coach Ostwald, Co-captains John Hogeth and Jim Wright and Pep Club advisor Mrs. Schriver.

When everyone arrived at school Friday morning they could see that someone had been very busy overnight decorating in every nook and corner of the building. The school was transformed from an ordinary high school into a red and white place of fun and gaity. Upon inquiring closely one found that it was the Pep Club that was responsible for the overnight change. The members of the Pep Club had spent long hours the night before putting up the many decorations. They certainly had done a first class job.

Since the Homecoming Queen would be announced in the Chatter and the Chatter came out at noon on Friday, that was a time of anxiety and hope for the queen candidates. After much guessing and waiting the Chatters were finally distributed and everyone knew at long last who the lucky girl was. By popular vote of the student body Penny Kuehnast was chosen to reign as the 1956 Homecoming Queen. Carol Bergeron and Joan Smith were chosen as her attendants.

The big Homecoming Pep Meeting was held on Friday afternoon. Probably the biggest attraction was the skits given by members of the different classes. Two skits were given by each class and then judged by members of the faculty. The winning skit was awarded $5 and the second and third skits were given $2.50 and $1.25 respectively. The Senior skit No. 1 won first prize and the two Junior skits won second and third prizes. Of course the Cheerleaders and Pep Band did their part very well in keeping the school spirit high.

The Cardinal Band took the lead in the Homecoming Parade which began at 6:00. Queen Penny and her Court followed in a beautifully decorated float. Following the Queen were the Junior and Senior Cheerleaders, riding in open convertibles. Practically every organization in Senior High had entered a float, all of which helped to make the parade a success. The Music Department's float, with the theme "Indian Love Call — Chief Chippewa wins Princess Victory over Chief Menomonie," won first prize and received $15. The Thespians were awarded second prize to receive $10 and the F.F.A. took third prize to receive $5. Several students had entered gaily decorated cars to add to the parade. Claude Umbaugn received first prize in this division.

The impressive Coronation Ceremony took place at the fairgrounds before the game. John Rassbach, the 1955 Co-captain, and Dave Gutknecht escorted the attendants to the front of the grandstand and presented them with a corsage. Dave and John then escorted Queen Penny to the front of the grandstand. Dave presented the Queen with a dozen red roses and John crowned Queen Penny. The Queen and her court was then escorted back to their box, where they watched the game. The girls were attired in white formals with red capes and red accessories.

The Cardinals' opponent for the Homecoming game was the Menomonie Indians. Although the boys played their best to the end, they lost to the Indians 24-7.

Between halves of the game the Cardinal Band, along with the Junior High Band, showed their marching ability by entertaining the audience with some excellent maneuvering. After forming several different formations they ended by playing the Alma Mater.

The final event was the Homecoming dance. The dance was held at the Junior High Gym, which was very appropriately decorated for the occasion by the Pep Club. The music was furnished by the Rhythmaires and dancing was from 10:00 to 12:00. Queen Penny ruled over the dance, which ended the gala Homecoming of 1956.

The Homecoming activities are sponsored by the Pep Club, under the capable direction of Mrs. Alice Schriver. Congratulations and thanks should be given to them for making this an outstanding homecoming.

MIDWINTER FORMAL

The beautifully decorated Junior High Gym formed a perfect wintery setting for the 1956 Midwinter Formal, which was held December 15. The theme, "White Christmas," was carried out throughout the setting with white, blue, and silver decorations. The decorations included a trellis-like bandstand, a sleigh refreshment stand, and a quaint snowbridge decorated with blue and silver poinsettias. In one corner was a huge Christmas tree with white snow on it. Many smaller Christmas trees decorated the setting, as well as Christmas angels, snowmen, candy canes, silver bells, and snowballs, which all added to the theme. Different shades of blue crepe paper with white were draped from the middle of the ceiling to the balcony. Blue streamers formed the background of the walls, with the different shades of blue and white on the foreground on the walls. Pine boughs added to the wintery Christmas setting.

Katherine Nielsen was chosen to reign as Queen of the Midwinter. She chose John Abrams as her King. They were preceded to their throne by their attendants and escorts. They included Roberta Baier and Clyde Umbaugh; Alice Holbrook and Jim Meyer; Carol Bergeron and Jim Wright; and Penny Kuehnast and Ronnie Rooney. The two thrones were two giant snowballs with a place carved in them to form the seat. A giant silver bell hung overhead.

The floor show, with John Hogseth as Master of Ceremonies, began with the crowning of the Queen. This was done with a very impressive ceremony. The program was then opened with Jean Kattre and David Meier singing "Silver Bells." The Harris twins then did a tap dance to "Jingle Bells." The Sextette sang "Frosty the Snowman" and finally closed with the theme song "White Christmas." The Grand March followed, with Queen Kathy and King John leading the procession. Dancing continued until midnight.

This year the Midwinter was sponsored by the Athena, under the able direction of Miss Rose Durch. The chaperons for the event were Mr. and Mrs. Fahs Nielsen, Mr. and Mrs. Howard Rasmussen, Mr. and Mrs. Herbert Clink, and Mr. and Mrs. Herbert Ehlers.

JUNIOR PROM

Amid colors of light pink, medium pink, and white, the Junior Prom was held on the evening of April 27, 1957. The theme of this gala affair was "Fantasy Land." It was carried out by many of the various decorations. The throne, which was two toadstools, was surrounded by angel hair and pink and white flowers and backed by two weird trees. Some of the other decorations consisted of a wishing well, a pool and bridge, and a castle for the bandstand.

The Junior class was very wise in their choice of the King. They chose Maurice Oleson, who in turn chose Lola Matsche for his Queen. The rest of the court consisted of Jim Perault, who chose the Queen's twin, Lois, and Ken Wiesner, who escorted Joyce Boettcher.

Master of Ceremonies, Tom Kassabaum, opened the floor show by welcoming the King, Queen, and their attendants. The first number on the program was the Junior Sextette. They sang "Stranger in Paradise," followed by the theme song, which was "When You Wish Upon A Star." The Harris twins then did a cute dance. Concluding the program was the Boys' Quartette, which sang "Sh-Boom" and "Goodnight Sweetheart." The Grand March was led by the King and his Queen. Dancing was then resumed.

Chaperons for the evening were Mr. and Mrs. Maurice Oleson, Mr. and Mrs. George Perault, Mr. and Mrs. Floyd Schmidt, Mrs. Alma Wiesner, and Mr. and Mrs. Alvin Boettcher.

ONCE IN A PALACE

The big project of the Thespians in the fall is always to present a play. The title of it this year was "Once In A Palace." It was based on the fairy story of the pompous king who liked new clothes better than anything else. Many tailors tried to please him by making new coats but he was very hard to please. Finally one appeared who said he would make a coat that only the wise and honest could see. Of course we all know that he actually made nothing, but no one would admit that he couldn't see it. This created some very amusing incidents.

The main characters of the play were Jim Hickey as the King, Ruth Kuss as the Queen, Bruce Walter as the handsome tailor, Sandra Hagen as the Princess, and Virginia Holman as the Scullery maid. Other members of the Thespians made up the rest of the cast.

The play was under the direction of Miss Johnson, who is the Thespian advisor.

THESPIAN JAMBOREE

On February 6th the Thespians presented their annual Jamboree. The theme of the Jamboree this year was entitled "Round the World." The entire production was under the direction of Miss Johnson. The many acts in the Jamboree consisted chiefly of songs, dances and other customs from around the world. Among the acts was an Hawaiian hula, with Hawaiian music furnished by the Sextette, an Irish jig and quartet, an Italian opera skit, a French can-can, a Spanish bull fight, African native dancers and American Rock and Roll.

Every year a lot of work goes into the Jamboree. Many things must be done before it can be presented. There are costumes to be fitted and selected, stage crews to pick out and many committees to be appointed, to see that everything goes smoothly. This Jamboree was the 5th to be presented here at school and we hope that there will be more in the years to follow.

SENIOR CLASS PLAY

On May eighth the Senior class presented the entertaining play "Seven Sisters" for the general public. On the sixth they presented it to the Junior High, and on the seventh to the Senior High students. The plot of this play revolves around the efforts of a widowed Hungarian mother to marry off her three eldest daughters.

Mrs. Gyurkovics is horrified when her caprecious young daughter, Mitzi, returns home fresh from a new romance and expelled from the convent in Budapest. The subject of this romance, in passing the Gyurkovics home one day, is seen by Mitzi and brought into the house. It is these two who plot the marriages of the three sisters, one by one. Lieutenant Horkoy is introduced as a family relative, rather than a male acquaintance of Mitzi. Under this disguise, Lieutenant Horkoy and Mitzi proceed in marrying off the girls. The girls are cleverly matched with three unsuspecting but willing lovers. Katrinka, the eldest, is married to a colonel in the Hungarian army. Sari is married to an officer famous for his charm, and Ella is matched with the colonel's aggressive young nephew.

Although this is the main plot, many funny happenings keep the play in a light humorous mood.

KEN WALTON

Ken was the only senior to be found in the center spot of the football field. He worked hard and filled his position to the best of his ability.

DICK OLSON

We found Dick playing either quarterback or halfback on the field. He played some very good games and was one of our fastest players.

JIM WRIGHT

Jim Wright, one of the co-captains of the 1956 football season, played fullback and guard. Jim has been one of our star players all of his years of high school.

BERT WEBB

Bert Webb, the other co-captain of the team, played very good ball at end or tackle. He saw action in every game and was essential to the team.

LARRY STORDAHL

Larry was one of the unfortunate players this year. He was injured early in the season and saw little action throughout the season. Larry played tackle.

MARVIN TOPPER

Marvin Topper, one of our heavy set seniors, really filled his position as tackle.

LEN LAFAIVE

Len was one of our smallest seniors, but on the team he was a great help with his speed. Len was found in the position of halfback.

ALAN SMITH

Alan Smith, our outstanding senior player, was found at the half and fullback position. Alan also received the Most Valuable Player Award.

JOHN HOGSETH

John was found to be the senior player with the most height. He was found playing end.

CLYDE UMBAUGH

Clyde Umbaugh was another unfortunate senior who didn't finish his football season. While playing he was found in the guard and tackle spot.

LARRY DODGE

Larry was another one of our heavy set seniors. He was found either playing guard or tackle.

STANLEY LESTER

Stanley Lester was one of the many seniors who played more than one position. He was found either playing tackle or fullback.

DUANE HANOLD

Duane was found playing in the guard position. He filled his position very well.

RICE LAKE

For their first game of the season the Cards traveled to Rice Lake. The first touchdown of the year was made by Jim Perault as he scored on a 75 yard run. Gordon Schafer added the second touchdown with a 12 yard pass from Dick Olson. The game was played in occasional rain showers but that didn't stop the Cards as they came off the field with a wet but satisfying 13-7 victory.

MEDFORD

As the Cards tried for their second win they traveled to Medford. The Medford team took advantage of every break as they stumped the Cards with a 26-0 victory. Chippewa didn't threaten until late in the third quarter with a sustained drive that carried them down to the Medford eight yard line.

MARSHFIELD

When the Cards met Marshfield, all but one of their drives were stopped and this only gave them 6 points as the extra point was missed. Len LaFaive played excellent ball and made the Cards only touchdown. The Cards defensive action improved 100%, but the team was still having trouble getting the offensive hitting on all 11 cylinders. The Cards lost to the Tigers by a score of 6-7.

MENOMONIE

Chi-Hi dropped their third straight game of the season to the Menomonie Indians. This was Chippewa's Homecoming game. The Cards just couldn't seem to get going and lost to the Indians by a score of 25-7.

EAU CLAIRE

Chippewa, having a lot of trouble this year, really had their hands full with Eau Claire. In spite of the fact the final score read 39 to 0, the Cards racked up more first downs, and outgained the speedy visitors in both the passing and ground departments. The Old Abes took advantage of the intercepted passes and costly fumbles which really hurt the Cards. The Cards were taken under by an alert Eau Claire team.

LA CROSSE

The Cards couldn't get going at La Crosse as the Logan team drove the Cards back on every drive they started. The game was Logan's Homecoming. The game turned out to be a very "blue" night for the Cards as they were unsuccessful and lost to Logan 18-0.

BLOOMER

Chi-Hi stopped a five game losing stretch by defeating the Bloomer Black Hawks. The game was played on even terms until the final period. Dick Olson scored the first touchdown with a 12 yard run. Jim Perault went across the goal line a few minutes later. Bloomer made their only touchdown with only a few minutes left to play in the game. This was also Bloomer's Homecoming, and the Cardinal fans were happy as they beat the Black Hawks by a score of 13-6.

STANLEY

The Cards played a very tough game and came out on top with a 14-6 victory over Stanley to end their football season. The first score came on a 12 yard pass from Olson to Hogseth. Jim Perault added the extra point and later in the game gave a sparkling performance on a 80 yard run. He also added the extra point kick.

The Chippewa Cards ended the season with a 3 win — 5 loss record for the 1956 football season.

COLFAX
The Chi Hi Cards weathered a blistering fourth period rally by the Colfax Vikings to take the season's opener by a score of 51-49. It was nip and tuck all the way. The high scorers were Webb and Wiesner with 13 and 12 points respectively.

MONDOVI
The Cards tossed a real scare into visiting Mondovi. The Cardinals led through the first half, but then couldn't hold the Buffaloes. Mondovi won by a 63-52 score. Hogseth was high point man with 16 points.

CORNELL
Chi Hi got back on the victory road with a 63-52 win over Cornell. The Chiefs led through the first half, then the Cards closed the gap in the third quarter and built the lead in the final period. Webb was high scorer with 18 points.

BLOOMER
The team traveled to Bloomer where they took on the Black Hawks. The Bloomer team won the game on two free throws in the final seconds. The score was 44-42. High man for Chippewa was Webb with 10 points.

MENOMONIE
The Chippewa Cardinals came from behind to nip Menomonie by a score of 45-40. A second half rally really helped the Cards to win. The Cards scored a measly 2 points in the first period. High point man for the game was Olson with 11 points.

ALTOONA
Chi Hi piled up the points on a second half splurge to give them a 54-45 win over the Railroaders. Olson and Webb were high scorers with 12 and 10 points respectively.

EAU CLAIRE
The Eau Claire Old Abes overpowered the Chippewa team by a 64-38 count. The Cards collected its forces after a poor first half to play almost even up ball with the Old Abes in the second half. High point man for the losers was Hogseth with 16 points.

RICE LAKE
Due to a slow start, the Cards lost to the Rice Lake Warriors by a score of 50 to 49. The Cards failed to score on a basket in the final period. High man for the Cards was Webb with 11 points.

BLACK RIVER FALLS
The Cards met a new foe on the basketball court in the Black River Falls Tigers. The Tigers led most of the way and won by a score of 55-48. Again Webb was high point man for the losers with 13 points.

CORNELL
The Cards lost their sixth game to Cornell by a score of 59-51. The Cards led at the third quarter mark, but then lost the lead and never was on top again. Webb still kept hitting with 19 points.

CADOTT
Cadott led the entire game but the Cards rallied for 25 points in the fourth period. Olson and Hogseth were high scorers with 15 and 13 points to top the losers score of 61-55.

STANLEY
The Cardinals handed Stanley a 68-61 defeat. The Cards, in winning this game, snapped a five game losing streak. Webb was high scorer with 30 points.

RICE LAKE
Chippewa Falls rallied to whip the Rice Lake Warriors 67-55 in a hard playing game. The Cards went on a 40 point second half scoring spree. Perault and Wiesner were high scorers with 17 and 15 points respectively.

BLOOMER
Chi Hi gained revenge on the Black Hawks by defeating them 56-42. Olson and Hogseth were tied with scoring honors of 11 points apiece.

EAU CLAIRE
Eau Claire proved too powerful for the Cards as they took their second win of the season. The Cards trailed the entire game as the Old Abes took an early lead and were never topped. Webb and Olson were high scorers for the losers with 14 and 13 points apiece.

COLFAX
The Cards traveled to Colfax, where the Vikings upset them by a score of 62-56. Free throws proved to be a determining factor in the game as Colfax made 28 free shots. Dodge and Schmidt were top men for the losers with 12 points apiece.

BLACK RIVER FALLS
The Chippewa Falls Cards traveled to Black River Falls where the Cards lost by a slim margin of only two points. The game was very close all the way. When the final buzzer sounded the score was 52 to 50. Again, Webb and Hogseth were high scorers with 15 points apiece.

MENOMONIE
The Cards took their eleventh loss from the hands of the Menomonie Indians. They won by a score of 70 to 56. Olson and Schmidt paced the losers with 13 points each.

MONDOVI
Chi Hi traveled to Mondovi where the Buffaloes handed the Cards their twelfth loss of the season by a score of 64-52. The Cards had five players scoring 7 points or more.

DURAND
For the last game of the season, Chippewa traveled to Durand to play a hard game. The Cards were unable to gain the lead and thus went down to defeat by the hands of the Panthers. The final score was 56-46. Hogseth and Olson were high scorers with 8 points apiece.

BLOOMER TOURNAMENT

Chippewa Falls hopes for a successful tourney finish to an otherwise dim cage season went down the drain at Bloomer as the Cardinals bowed to the Barron Bears 71-64. The game was fairly close with only one or two points parting the two teams. Midway in the first quarter, Barron began to move taking an 18 to 13 lead. Chippewa led throughout the second quarter. From then on, Barron went to work and pulled away from the Cards. Hogseth turned in a fine game for the Cards and paced their scoring with 15 points.

The Cards went into the second game of the tournament still hoping for a consolation prize. Chippewa played a good game but it wasn't good enough for they were defeated by the Bloomer Hawks. Due to the absence of John Hogseth, our rebounding was not as good as it should have been. Chippewa concluded their sectional try with a loss to Bloomer.

CHEERLEADERS

During the past three years at Chi Hi, this year's A squad cheerleaders have worked themselves up to the position which they hold. Considerable time and effort is required to become a senior cheerleader. They work to maintain the interest and enthusiasm of the student body in the field of sports.

The senior A squad cheerleaders are: Carol Bergeron, Elaine Rivard, Joan Smith, and Jean Solie.

The junior cheerleaders include: Robbie Gund, Sally Lea, Sharon Nosal, and Karen Zwiefel. Sophomore cheerleaders are: Joan Elstran, Barbara Heian, Mary Holm, and Alice Waller.

The cheerleading advisor was Mrs. Schriver.

TUMBLERS

This year something new was started at Chi Hi. It was a tumbling team, which was organized for the purpose of achieving more school spirit within the student body. These girls gave up many of their noon hours and also spent much time after school to practice.

During the halves of the main basketball games the tumblers would perform their acts, consisting of a variety of tricks. These would include fish flops, front and back flips, front and back rolls, head stands, and many other tricks, along with acrobatics in combination form. This group did much to create interest and school spirit for the games.

Hi,

PEP CLUB

The Pep Club is an organization concerned with arousing the student body to give their support to all athletic activities in the school, particularily the football and basketball games.

The biggest project for the Pep Club is to plan the Homecoming activities. Skits are planned for the student body by the members of the club. The night preceding Homecoming, the students may participate in the snake dance. The parade is arranged by the members and the school is gayly decorated with red and white streamers for the occasion. A dance is sponsored in the Junior High Gym after the game.

The members of the Pep Club sell ice cream at all home basketball games and they are responsible for attending these games. Various students also present skits during the pep meetings. It is the duty of the Pep Club to secure buses for all out of town football and basketball games.

The Club's activities proved to be very successful and were enjoyed by all.

G. A. A.

The Girls' Athletic Association is for girls who like to take part in various athletic activities.

Highlighting the season was a dance given by the organization on February 15. This dance employed a "hard time" theme and everyone was dressed accordingly. Sophomores were initiated early in the school year, by the usual method. This method is an annual institution at Chi Hi. New members had to do atrocious stunts before their jeering classmates on the order of Junior members of this organization. Initiates were compelled to wear bib overalls, long underwear, egg white facials, onions, lipstick and carry candy. Twenty girls were initiated in this way.

Meetings were held on the first and third Tuesday of each month during the noon hour. Deck tennis, volleyball, basketball, battle ball, and tumbling were sports participated in during these meetings. Most of the sports eligible for points were extra-curricular such as skating, skiing and dancing. A high number of total points resulted in a pin or letter, depending on how high the total was. They were awarded at a G.A.A. picnic held at the beach. Letters and pins representing time spent in different sports were awarded to the senior and junior members at the end of the year.

Sportsheads for the 1956-57 season were: Bowling - Carol Mueller; Volleyball - Ann Boyd; Basketball - Kaaren Nyhus; and Softball - Sally Lea. These members were responsible for organizing the activities of these different sports.

Miss Durck,
It's been a lot of fun being in Spanish class. It going to be even funny not coming to Spanish next year.
You sure have put up with a lot of "fooling around".
We have had a lot of fun during the year with picnics & parties and all.
Maybe I'll see you sometime this summer or next year.
Bye now

Dear Miss Durch,
I know that in
most cases I have been
quite a pest but I would
truly like to say that I
have never enjoyed class
so much. You install in
the students a sense of
responsibility and respect without
taking away that sense of
freedom a student needs. I
can truly say I'm going to
miss this class and I'm
sure I have gained some
knowledge of Spanish. Lots of
luck and I hope I'll see
you someday.
Robbie Ward

Miss Durch,

It was nice being one of your students. I gained a great deal and I hope you have also. I am sorry that I was not here for the times I should have been. Thank you for everything. I'll be back to visit you sometime next year.

Barb Larson

Jean Kuiper

Miss Durch,

It hardly seems possible that these two years have gone by so quickly. I enjoyed your class the most of any of them— it was lots of fun, but still I learned an awful lot, too. I will come back to visit you next year.

Best wishes,

Sandie Hagen

Miss Durch,
I have enjoyed this year with you and the other students.
I have chosen Spanish II.
I hope you won't be to disgusted with the way I act.
Hope I can be a good student.
I have sure enjoyed Spanish.
It really don't seem like this year has gone by already.

Best of Luck

Sharon Tyhurst
